

Materials List:

Brushes: No need for expensive brushes. Bring at least 3 different sizes. One should be at least 2". I buy the larger ones at the hardware store.

Palette knives - 4

Acrylic Paint: a handful of your favorite colors plus black & white. My favorites are cadmium yellow, green gold, turquoise (phthalo), Quinacridone Crimson, raw umber, Azo yellow orange (Indian yellow), any pinks, and cobalt blue. Feel free to bring YOUR favorites!!

**If your budget does not allow all of the above, get a red, a yellow, and a blue in the artist grade paint, and supplement a few other colors with student grade.

Small travel-size spray bottle (from Target, Walmart, Dollar Store)

Soft lead pencil

2 or 3 oil pastel crayons, your favorite colors

Charcoal: one stick

6 substrates. Your choice: I prefer to work on stretched canvas. We can take the canvas off the stretchers and roll them to ship. I suggest working no smaller than 16 x 20. I will probably be working in the 36" – 40" range.

Wire bound Art journal. I like the Strathmore Mixed Media Vision Journal 9"x12"
